EDUCATION

PhD **University of Washington, Social Work** 2023 (Expected)

Dissertation: *The Effect of Child Maltreatment subtypes on Development of Suicide Behaviors*

Committee members: Dr. Peter J. Pecora (Chair), Dr. Todd Herrenkohl, Dr. Meghan Romanelli,
Dr. Kyle Crowder

Qualifying paper: *The Effects of Different Types of Child Maltreatment on Suicidal Ideation in
Adolescence and Early Adulthood: Meta-Analysis*

MSW **Washington University in St. Louis, Social Work** May 2014

Research Specialization Independent Study: *Difference in child maltreatment referral rates between
rural and urban areas*

BASW **University of Seoul, South Korea, Social Welfare** February 2009

SKILLS AND AREAS OF EXPERTISE

Quantitative Analysis

Structural equation modeling, event history analysis, multivariate analysis (factor analysis, item response theory, latent class analysis), longitudinal analysis, generalized linear regression analysis (Software: R, SPSS, STATA, and MPlus)

Systematic Review with Meta-analysis

Meta-analysis and meta-regression (Software: R and Comprehensive Meta-Analysis)

Language

Korean (First Language), English (Fluent)

AWARDS, HONORS, GRANTS & FELLOWSHIPS

Boeing Endowed Fellowship , University of Washington Scholarship for minority graduate students who committed to research focused on providing effective services to diverse populations	2014-2015 (tuition + \$20,000)
Blalock Fellowship , Center for Statistics and the Social Sciences, University of Washington	2014-2015 (\$3,000)
Wayne Vasey Scholarship , School of Social Work, Washington University in St. Louis	2012-2014 (\$25,000)
Scholarships for Excellent Achievement , University of Seoul	2006-2007 (\$1,000)

RESEARCH INTERESTS & EXPERIENCE

Interests

Risk and protective factors for child maltreatment and suicidality, Family-strengthening community-based program (Family Resource Center), Independent living programs for foster youth and emancipated youth

Experience

Return on Investment (ROI) Workgroup <i>Pre-doctoral Fellow</i> at Casey Family Program Conducted a systematic review and meta-analysis on the effects of Family Resource Centers	04/2021-12/2021
Studies of Independent Living Programs for Transitional Youth from Out-of-Home care in South Korea (PI: Sang Jung Lee) <i>Pre-doctoral Fellow</i> at Korea Institute for Health and Social Affairs Conducted literature review and comparative analysis of the independent living programs in the US and other countries	2019-2021
Effects of Child Maltreatment on Adult Substance Use and Mental Health (PI: Todd Herrenkohl) <i>Research Assistant</i> at Social Development Research Group, University of Washington, Seattle, WA	2015-2016

Reviewed literature, and analyzed data from the Lehigh Longitudinal Study, a unique prospective investigation of the causes and consequences of child maltreatment	
Compensation Quality Improvement for Employees of Volunteer Centers (PI: Joon Young Lee) <i>Research Assistant</i> at Urban Science Research Institute, University of Seoul, Korea Conducted literature review, focus group interview, and descriptive analysis	11/2005-02/2006

TEACHING INTERESTS & EXPERIENCE

Interests

Child maltreatment, Child welfare policy, Research methods, and Systematic review with meta-analysis

Experience

Foundations of Social Welfare Research, Sole Instructor Instructed a range of social welfare research methods and guided individual research projects for MSW students.	Winter 2021
Introduction to Social Welfare Research, Statistics Lab Assistant Conducted a series of foundational SPSS labs (data entry, descriptive statistics, and inferential statistics) for BASW students.	Winter 2020
Social Welfare Research and Evaluation, Teaching Assistant Prepared a video series of foundational SPSS labs for MSW students, and guided them to analyze and interpret data from their research projects.	Spring 2020
Foundations of Social Welfare Research, Teaching Assistant Guided MSW students to develop research questions and plan their research project based on the questions.	Winter 2020
Child And Family Inequalities: Policy/Services Platform Guided MSW students to understand political strategies to strengthen children and families. Gave a lecture on child protective services.	Fall, 2016
