

Alice Cagampang Ryan, LICSW

EDUCATION

Western Michigan University, MSW, June 1997

University of Michigan, BS Biology and Religious Studies, December 1994

PROFESSIONAL EXPERIENCE

Seattle Children's Hospital, Seattle, WA 2002-Present

Manager, Journey Program 2016-Present

Senior clinician providing specialized bereavement support services in large regional pediatric hospital, serving a diverse population. Provides advanced bereavement clinical services and leadership for the hospital through direct services to patients, families, staff, and community. Provides management of day-to-day operations, program and staff development for the hospital's bereavement program. Provides clinical supervision for associate level clinicians. Cultivates donor relationships and collaborates closely with the Children's Hospital Foundation to procure grants and community funding for programming. Provides hospital wide and community wide training in bereavement support competencies with a culturally responsive and trauma-informed approach. This leadership role actively promotes culturally appropriate family-centered care and hospital-wide collaboration around the scope and delivery of trauma-informed bereavement services.
