SOFTWARE

Seattle-King County Self-Sufficiency Calculator. Together with Congruent, Inc. [local software firm], created the Seattle-King County Self-Sufficiency Calculator, including screen design and underlying formulas, available to the public online at www.seakingwdc.org. This online calculator provides social service agency clients as well as the public information on their Self-Sufficiency Standard and benefit eligibility (including requirements), provides an interactive worksheet that allows clients to "test" different wages and/or benefit combinations for its wage adequacy (given client's actual expenses and income), and provides links to public and private websites for further information and/or online applications for assistance. (Developed for Seattle-King County Workforce Development Council, Seattle, WA May 2003).

New York City Self-Sufficiency Calculator. Wrote underlying formulas for this calculator. Available only with password; apply at www.wceca.org. Developed for Women's Center for Career Advancement and Education, New York City (2001-2002)

Pennsylvania Budget Worksheet (online and paper and pencil). Developed the original budget worksheet (which forms the basis of all subsequent calculators), which allows clients to enter their actual costs, and determine benefit eligibility for various benefits/subsidies (Food Stamps, child care assistance, Medicaid/CHIP, etc.), and calculate the overall "wage adequacy" of various combinations of wages and benefits. Worked with programmer to develop online version, and providing continued support to revise and improve the online version. Online version available at www.pathwayspa.org Developed for Women's Association for Women's Alternatives [WAWA], now known as PathWays, Swarthmore, Pennsylvania (1999-present).
